CERTIFICATE OF CORRECTION
UNDER RULE 322

Sir:

It is respectfully requested that a Certificate of Correction be issued by the Patent and Trademark Office due to an error which appears in the printed patent as a result of a Patent and Trademark Office mistake. A Certificate of Correction form is attached. In the paper mailed April 28, 2008 correction of the mistake was denied due to a typographical error. That error has been corrected to include a bracket around the central 9,9'-dimethyl fluorene to indicate 3-6 repeating units.

Patentees' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

/Peter Saxon /
